

“Theo arrived home safely. He was very happy about his stay with RICH camp, and hopefully it will give a further kick to his Putonghua. I wanted to thank you for everything, your patience and time. We have two other daughters and we may send them to your camp next year or the following. Thanks a lot again. All the best.”

“I would like to thank you very much for all your assistance and care that you took of our son, Alex Cortes, I must confess that my wife and I were very nervous about Alex going by himself to China but you made all the difference in the world. Alex had a great time and according to his Chinese teacher here in the US, he seemed to have learned quite a bit of Mandarin and about taking responsibility for himself - thank you very much to you and the whole camp staff for a job well done and all the caring!!.”

Mr. Cortes (son Alex age 10 Miami)

“Thanks RICH! The kids truly had a great time, they just can’t stop talking about the camp the whole time and even talk to each other in Mandarin sometimes. They are looking forward to be part of 2013 summer camp!”
